## What sets Eccovia apart

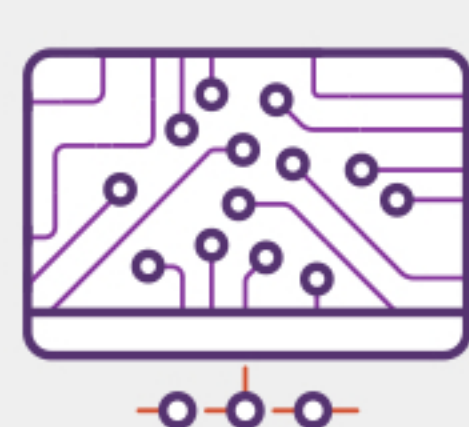

### Innovation Beyond Compliance

Eccovia is pushing the boundaries of case management and care coordination beyond just regulatory compliance.

### Intelligent Solutions

We empower providers with technologies and vision to serve their communities in ways never before possible.

#### CONFIGURABLE SOLUTIONS

Our flexible case management solutions are built to grow as you grow, with in-app tools requiring no coding.

#### EXPERIENCE

We offer the expertise of current and former health and human-service administrators and thought leaders.

#### TRUSTED PARTNER

We know what it takes to create lasting, meaningful change in the lives of vulnerable populations.

## Our Products

Eccovia's mission is to provide health and social services agencies with technologies and actionable data to better serve their communities. We are continuously building up our platform of products, adding new offerings and improving our existing solutions—all to empower you to help those you serve.

We'd love to hear from you! Contact us now to schedule a demo and see how Eccovia can help you help the people you serve.
